### American Legion Riders?

Simply an enjoyable Post activity now a commission of the Department of California for Legionnaires, Auxiliary members and SAL members throughout the state who enjoy motorcycle riding--and an ideal way to support The American Legion's programs. Since motorcycle riding is becoming a popular free time and social activity, Posts can benefit from the growing popularity of The American Legion Riders (ALR) as a way to connect and communicate across the nation

Currently, 106,000 American Legion Riders meet in over a thousand chapters in every domestic department and in at least three foreign countries.

True to the Legion's grassroots tradition, each chapter manages its programs at the Post level, where the best ideas are born.
