Chapter 694

10/15/15 minutes

Roll call

Pres Gary

VP Tony

Sec/Tres Janet

Sgt at Arms and Run Coordinator Jerry

Guests: Mike Hohler /Dist 28 Pres and Peter Alverate / 3 Pete /Dist 28 Sgt at Arms

Are here to discuss a letter sent out by CA State Pres James Adames

The letter was read.

Mike read a response from Dist 28.

Tony commented that the content we voted on is not what is posted on the State web site.

3 Pete was the author of uniform section and he also stated that what he wrote is not what is currently published. DOC was supposed to make a ruling 60 days from convention. Made changes and made it official. The uniform committee never reported back to membership.

3Pete says the Dist 28 rebuttal was not well written and it is time to write a detailed, specific resolution to deal with these uniform regulations.

Janet commented - I was ashamed of the way the convention started. Vote these changes in right now or the convention is cancelled.

Gary – are our members in compliance ? mostly but not to the letter of the strict guidelines currently posted. What has our chapter heard from our area VP Nacho ? His communication with Chapters is not timely, detailed or accurate.

What about Chapter 31 brought up on charges, is their charter getting pulled, will there be a hearing ?

Dixon chapter misbehaving, lawsuits, lawyers, were allowed to reform with same people.

A “sense of meeting resolution” was voted on and passed. The resolution is that Chapter 694 is not in agreement with the published “approved” by laws. Our Chapter has approved Dist 28 to pursue a formal rebuttal letter.

We need to get dues in by January 1.
